

# Yarra Valley & Dandenong Ranges

Just an hour from Melbourne, the Yarra Valley and Dandenong Ranges offer a huge variety for visitors and holiday makers alike. From culinary experiences to bushland adventures to luxury retreats, family-friendly attractions and everything in between. Not just a picturesque destination, it's a destination packed with opportunities, character and diversity. Come see for yourself and create your own adventure.

## DINE, WINE & MORE

As one of the world's premier and multi award-winning wine growing regions, the Yarra Valley and Dandenong Ranges also has a significant history of spirits, beer, and cider production. With over 90 cellars doors to visit as well as internationally acclaimed distilleries, breweries and chefs serving up some of the finest fare you'll get anywhere, it's a culinary destination well-worth the visit. Meet our brewers, bakers and artisan producers, chat with our winemakers and distillers and discover what makes our region so delicious.

## NATURE & ADVENTURE

Feed a wombat and meet a dingo for an authentic Australian experience at Healesville Sanctuary and wildlife hospital. Tee-off on a world-class golf course, take a hot air balloon flight over rolling vineyards, feel the wind in your hair as Puffing Billy Railway weaves through the towering Mountain Ash trees, or get your heart pumping with abseiling or mountain biking. Whether it's a quiet scenic walk or horse ride in the beautiful bushland, a visit to Lake Mountain or Mt Donna Buang for Melbourne's closest snow play, or a winding drive on the famous Black Spur, there are plenty of options that suit all accessibility requirements.

## GOURMET SHOPPING & FARMGATE

Everybody knows fruit picked straight from the tree is the tastiest and our region includes plenty of seasonally available U-pick options as well as shopping straight from the farm gates or local gourmet providers. Catch and cook your own fish, pick fresh berries and fruit or enjoy a tractor ride through the orchards. Sample artisan breads, cheeses, charcuteries, chocolate, you name it, you'll love it. Wander through local farmers' markets, chat with growers and fill your baskets to take home and enjoy again later.

## ART, CULTURE, HERITAGE

Packed with a diverse history, the region offers plenty of galleries, museums, historically and culturally significant locations ready to be explored. From cutting edge modern art to Montsalvat, Australia's oldest artists' colony, explore the rich history dotted all through the hills and valleys. Our region is bursting with interesting spaces, creative artists and historically significant spots to educate, inspire and delight.

## STAY, PLAY & UNWIND

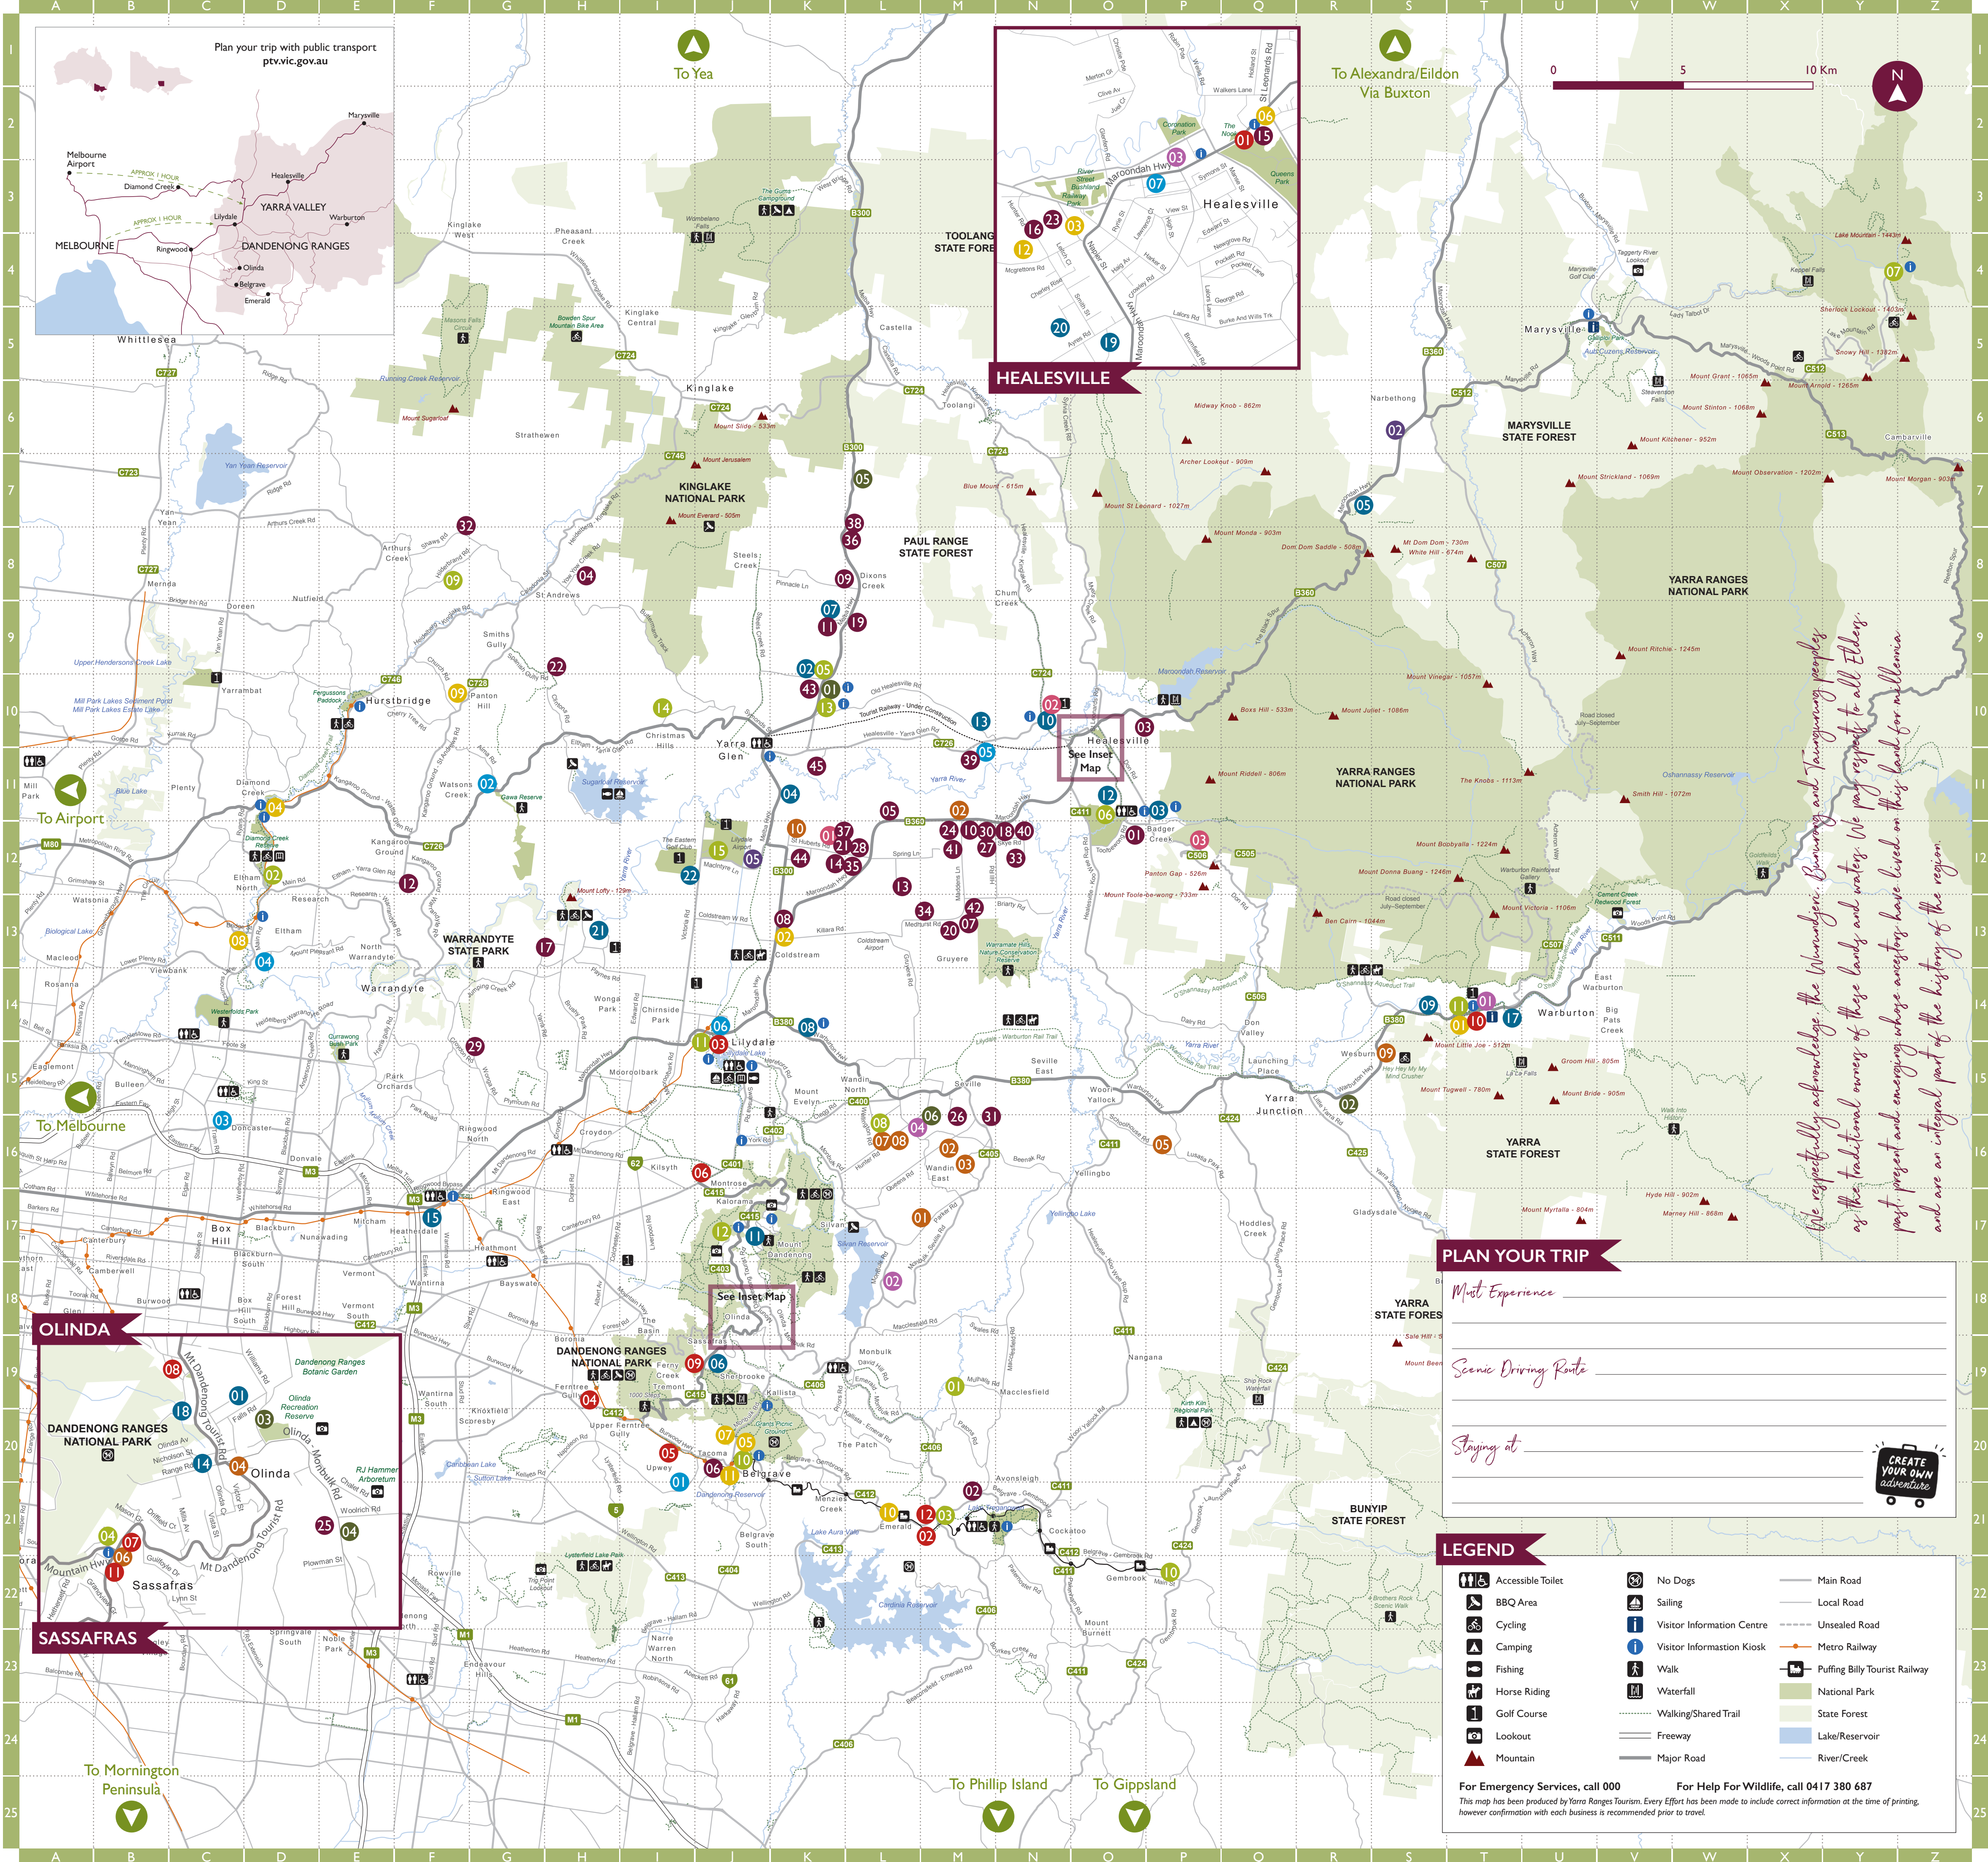

Rest and recharge at any one of the welcoming cottages, luxury retreats, and boutique B&Bs. From budget-friendly to luxury escapes, you'll find something to suit. Start your day with a round on the green, a bird's eye view from a hot air balloon, a relaxing spa day or meander through amazing botanic and native gardens. Whatever you choose, there's endless reasons to extend your stay just a little longer.

## TOURS & TRANSPORT

Sit back and let someone else do the driving. Let our knowledgeable guides show you some of their favourite spaces and places, or create your own itinerary and leave the driving to them. Our picturesque region offers winding roads and views aplenty around every bend. It's perfect for a scenic Sunday drive any day of the week.

We respectfully acknowledge the Wurundjeri, Boonwurrung and Tjapwurrung peoples  
as the traditional owners of these lands and waters. We pay respects to all Elders,  
past, present and emerging, whose ancestors have lived on this land for millennia  
and are an integral part of the history of the region.
