

## Re-em Boutique Luxury Hotel and Restaurant to open in November 2023

Yarra Valley, Victoria, Australia

Re'em is a luxury accommodation and restaurant facility on the Helen and Joey vineyard in the Yarra Valley, just an hours drive from both the Melbourne International Hotel and the Melbourne CBD.

Nestled in the foothills of the Warramate Range, the working farm and winery offers luxury on a spectacularly beautiful property.

Re'em offers 16 large five star rooms and contemporary dining with a fusion of local ingredients with the flavours and cooking techniques from Chengdu and Zhe Jiang, the respective birthplaces of Helen and Joey, the owners of the property since 2010.

In addition to the restaurant and accommodation, Re'em hosts the tasting room and cellar door for the wines produced on the property.
