YARRA VALLEY

The Yarra Valley is just a one hour drive from Melbourne, a journey of picturesque views as you travel past vineyards, farmland and the native bushland that frames the Yarra River. Crisp, cool mornings treat the early bird to spectacular moments as the fog rises and hot air balloons come out to play. You will find plenty of vantage points to soak up the diversity of stunning landscapes that unfolds in front of you. Follow the scenic roads to discover the character-filled villages and townships, lined with boutique shops and cafés.

FOOD, WINE & MORE

The Yarra Valley is one of the world's premier wine growing regions and also has a significant history of beer and cider production. For the visitor there are over 90 sensational cellar doors to visit. We also boast award winning gin distilleries, micro-breweries and cider houses. Come and meet our makers, bakers and artisan producers. Dine in acclaimed restaurants and cafes or discover tucked away places.

*Disclaimer: This map is to approximate scale and is intended to provide general locations only.

ACTIVITIES IN NATURE

Feed a wombat and meet a dingo for an authentic Australian experience at Healesville Sanctuary and wildlife hospital. Tee-up on a world-class golf course, take a hot air balloon flight and, in the winter months, head to Lake Mountain or Mt Donna Buang for Melbourne's closest snow play. Find Your Self on a scenic trail. The Yarra Valley offers walkers, hikers and riders plenty of options from wheelchair friendly to extreme trails and everything in between. Grab your copy of Walks & Riding Trails.

U-PICK & FARMGATES

Everybody knows fruit picked straight from the tree is the tastiest. Our selection of orchards and farm gates selling seasonal produce means we have something available all year round. Pick your own berries and fruit or enjoy a tractor ride. Catch and cook your own fish at one of our trout and salmon farms. Wander through local farmers' markets, chat with growers and fill your baskets to take home or enjoy at your accommodation. Grab your copy of U-Pick & Farmgate Trail.

ART, CULTURE, HERITAGE

Take an artistic quest to the Yarra Valley where Australia's rich creative history is upheld by exciting modern artists. Journey from cultural heritage to the cutting-edge future. Visit Montsalvat, Australia's oldest artists' colony then jump forward to the twenty-first century to view iconic works at the famous TarraWarra Museum of Art. Communities of artists are dotted throughout the artisan hills and valley, some opening doors to their studios or represented in spaces dedicated to the diversity of talent that flourishes here. Visit: artistsopenstudios. com.au, yarravalleyarts.org.au Grab your copy of Art Lives Here Trail.

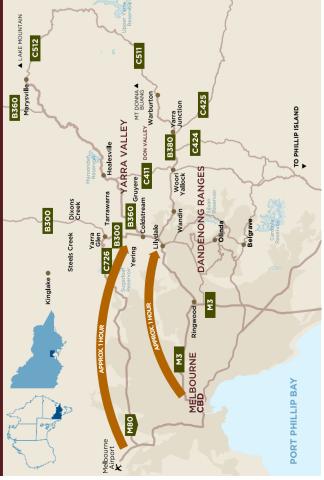

STAY IN THE YARRA VALLEY

Choose your escape - from self-contained cottages, boutique B&Bs or secluded luxury retreats. Find Your Self in a country township as the sun goes down. Take in mountain air and views, wake up surrounded by vineyards watching hot air balloons drift above or hide out in a tranquil bush setting.

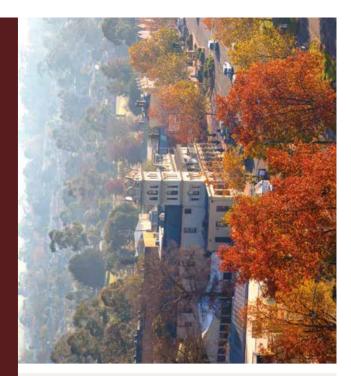

Take time to enjoy a change of scenery and stay a couple of nights or longer. Head to **visityarravalley.com.au** to book your accommodation and tours.
